

# QUALIFICATION CONDITIONS FOR FEUERSTEIN INSTITUTE COURSES

This document contains qualification conditions for the following courses:

- **Instrumental Enrichment (IE) Standard 1 and 2  
(in the USA (IE) 1, 2 and 3)**
- **Instrumental Enrichment (IE) Basic 1 and 2,**

1. All students who take one of the above Feuerstein Institute courses – whether given directly by the Feuerstein Institute or by a Feuerstein Authorized Training Center, will be awarded a Certificate of Instrumental Enrichment Mediator upon successful completion of the entire course requirements.
2. The certificate is valid for 4 years from its issue date and is renewed subject to the conditions outlined below.
3. **CPD (Continuous Professional Development)**  
A renewal of the certificate is dependent on renewal training (CPD) consisting of the following:
  - a. Submission of a verification form of IE implementation to Feuerstein Institute (to be obtained from Feuerstein Institute) reflecting at least 30 hours of work
  - b. Participation in 4 annual lectures using e-learning, including successful passing of a questionnaire about the material presented in the lectures. These lectures incur a cost (approx. 100 EUR per annum, subject to change and not to exceed 10% p.a.) and will be administered over the internet.
  - c. Each training (i.e. IE1, IE2, etc.) requires submission of its own verification of IE implementation form (one-time after each course), but candidates will not be required more than 4 annual lectures to renew all certificates they hold.
  - d. Additional courses taken within the 4-year CPD period count as completion of an annual CPD requirement.
4. Certificate holders who meet all CPD requirements will receive a renewal of their certificates for a further 4 years period.
5. Only holders of a valid official Certificate of The Feuerstein Institute are eligible to purchase the Feuerstein Instruments, and to pursue continuing education in the Feuerstein Method. The institution that gives the training in the Feuerstein method is required to give an official Feuerstein Certificate to each student who successfully completes all course requirements.
6. All Mediators are authorized to directly teach students or carry out treatment using IE instruments for which they are qualified, but they are not authorized to teach other teachers or therapists to use the methodology they studied.

7. To be able to teach teachers or other professionals, one must be qualified as a Trainer 1 / Trainer 2 in accordance with the **Qualification conditions for Trainers Level 1 and 2 in Instrumental Enrichment (IE) Standard/Basic** and requires signing of an alliance agreement with the Feuerstein Institute as an ATA, ATC (Authorized Training Center) or CFC (Certified Feuerstein Center), or working as a staff member of an existent ATC or CFC.

I have read the above document, I understand the restrictions by which I am bound and I undertake to act within the stipulated permissibility and restrictions.

I understand and agree that certification as a Feuerstein Professional requires a high ethical and moral standing and undertake to maintain such standing at all times.

I understand and agree that the copyright to the Instrumental Enrichment Instruments, LPAD, and trademarks to the Feuerstein Methods are protected, and that infringement or violation of the above will cause the cancellation of my Feuerstein certification, and that I will be subject to the full legal consequences as established by Law.

## Qualification conditions for Trainers Level 1 in Instrumental Enrichment (IE) Standard

1. Pre-Condition for Participation in Trainers Level 1 Course:
  - a. Successful Completion of IE Standard 1 and 2 (all 14 IE instruments)  
(In the USA IE 1, 2 and 3)
  - b. Submission of Evidence of Practice to the Feuerstein Institute pertaining to IE-S 1 and IE-S 2 in the language of the course to be taken.  
The Evidence of Practice is expected to reflect at least 100 hours of IE work with significant part of the IE Instruments (at least 10 Instruments), and to include the standard report of IE program implementation (to be obtained from FI), and:
    - a. 2 Lesson plans (mandatory)
    - b. Articles (optional)
    - c. Videos and other material pertaining to training administered (optional).

The Evidence of Practice will be professionally assessed at the Feuerstein Institute

- c. Meeting all CPD requirements up until acceptance to the Trainers Level 1 course
  - d. 2 Letters of recommendation from a trainer you trained under in the past, or from supervisor who supervised you
  - e. Ability to take the Trainer level 1 course in one of the languages in which it is given
  - f. Approval from the Feuerstein Institute professional committee.  
The Feuerstein Institute reserves the right to reject candidature on the basis of committee members' opinion that the candidate has not met the established requirements for acceptance.
2. Upon completion of the Trainers Level 1 course, graduates will receive a Trainers Level 1 certificate granting the following:
    - a. Eligibility for work as co-trainers within the framework of the Feuerstein Institute or a Feuerstein Institute Authorized Center (ATA, ATC, CFC) and for teaching teachers and professionals under the supervision of experts at the said Authorized Center.
    - b. Eligibility for the position of supervisor of teachers who teach IE in classrooms;
    - c. Eligibility to submit candidature for a Trainers Level 2 course, following Submission of Evidence of Practice reflecting 45 hours of work as a Trainer 1, together with a recommendation from your supervisor.
    - d. Please note: Teaching teachers and professionals is only allowed after completing the Trainers Level 2 course, and requires signing of an alliance agreement with the Feuerstein Institute as an ATA, ATC (Authorized Training Center) or CFC (Certified Feuerstein Center), or working as a staff member of an existent ATC or CFC.

**Please note: Teaching teachers or professionals is not possible without first establishing an association with the Feuerstein Institute as an ATA/ATC and receiving supervision from the Feuerstein Institute.**

3. The certificate is valid for 4 years from its issue date.
4. **CPD (Continuous Professional Development)**  
A renewal of the IE Trainer 1 certificate is dependent on renewal training (CPD) consisting of the following:
  - a. Submission of a verification to Feuerstein Institute reflecting at least 45 hours of work as Trainer 1.
  - b. Participation in 4 annual lectures using e-learning, including successful passing of a questionnaire about the material presented in the lectures. These lectures incur a cost (approx. 100 EUR per annum, subject to change and not to exceed 10% p.a.) and will be administered over the internet.
  - c. Each training (i.e. IE1, IE2, IE Trainers, etc) requires submission of its own verification form (one-time only), but candidates will not be required more than 4 annual lectures to renew any certificates they hold.
  - d. Additional courses taken within the 4-year CPD period count as completion of an annual CPD requirement.
5. Certificate holders who meet all CPD requirements will receive a renewal of their certificates for a further 4 years.
6. Only holders of a valid official Certificate of The Feuerstein Institute are eligible to purchase the Feuerstein Instruments, and to pursue continuing education in the Feuerstein Method. The institution that gives the training in the Feuerstein method is required to give an official Feuerstein Certificate to each student who successfully completes all course requirements.

I have read the above document, I understand the restrictions by which I am bound and I undertake to act within the stipulated permissibility and restrictions.

I understand and agree that certification as a Feuerstein Professional requires a high ethical and moral standing and undertake to maintain such standing at all times.

I understand and agree that the copyright to the Instrumental Enrichment Instruments, LPAD, and trademarks to the Feuerstein Methods are protected, and that infringement or violation of the above will cause the cancellation of my Feuerstein certification, and that I will be subject to the full legal consequences as established by Law.

## Qualification conditions for Trainers Level 2 in Instrumental Enrichment (IE) Standard

1. Pre-Condition for Participation in Trainers Level 2 Course:
  - a. Successful Completion of the Trainers Level 1 course
  - b. Submission of Evidence of Practice to the Feuerstein Institute pertaining to practice as Trainer level 1 in the language of the course to be taken. Submission of Evidence of Practice to reflect at least 45 hours of work as a co-training , and to include the standard report of IE training 1/supervision implementation (to be obtained from FI), and:
    - i. 2 Training session plans (mandatory)
    - ii. Articles (optional)
    - iii. Videos and other material pertaining to training administered (optional).

The Evidence of Practice will be professionally assessed at the Feuerstein Institute

- c. Compliance with the CPD conditions up until presentation of candidacy.;
  - d. Submission of a recommendation of either your supervisor, a senior staff member of the school where the trainer taught, or any other person who supervised the candidate's teaching and professional training activities;
  - e. Ability to take the Trainer level 2 course in one of the languages in which it is given
  - f. Approval from the Feuerstein Institute professional committee.  
The Feuerstein Institute reserves the right to reject candidature on the basis of committee members' opinion that the candidate has not met the established requirements for acceptance
2. Successful graduates of the Trainers Level 2 course will qualify as Trainers Level 2 and will be entitled to use their certificate in the following ways:
    - a. Teaching teachers and other professionals the IE Standard courses, on condition that the courses comply with the course provisions as stipulated by FI;
    - b. Teaching Teachers and other professionals is permissible only in the country of residence of the teacher, or in the country(ies) specified in the alliance agreement with the Feuerstein Institute.
    - c. Teaching teachers and other professionals requires signing of an alliance agreement with the Feuerstein Institute as an ATA, ATC (Authorized Training Center) or CFC (Certified Feuerstein Center), or working as a staff member of an existent ATC or CFC.  
**Please note: Teaching teachers or professionals is not possible without first establishing an association with the Feuerstein Institute as an ATA/ATC and receiving supervision from the Institute.**
3. The certificate is valid for 6 years from its issue date

#### 4. CPD (Continuous Professional Development)

A renewal of the certificate is dependent on renewal training (CPD) consisting of the following:

- a. If operating as ATA, submission of standard training reports as required by the ATA agreement.
  - b. If operating in the context of an ATC, ensuring that courses taught by you are properly reported in the annual report of the ATC to FI, as stipulated in the ATC contract.
  - c. Completion of a Trainer's Renewal Course once every six years (given in the annual Feuerstein Summer Institute)
5. Certificate holders who meet all CPD requirements will receive a renewal of their certificates for a further 6 years.
6. Only holders of a valid official Certificate of The Feuerstein Institute are eligible to purchase the Feuerstein Instruments, and to pursue continuing education in the Feuerstein Method. The institution that gives the training in the Feuerstein method is required to give an official Feuerstein Certificate to each student who successfully completes all course requirements.

I have read the above document, I understand the restrictions by which I am bound and I undertake to act within the stipulated permissibility and restrictions.

I understand and agree that certification as a Feuerstein Professional requires a high ethical and moral standing and undertake to maintain such standing at all times.

I understand and agree that the copyright to the Instrumental Enrichment Instruments, LPAD, and trademarks to the Feuerstein Methods are protected, and that infringement or violation of the above will cause the cancellation of my Feuerstein certification, and that I will be subject to the full legal consequences as established by Law.

## Qualification conditions for Trainers Level 1 in Instrumental Enrichment Basic (IE-B)

1. This standard does not apply for people registering to IE Basic training course in 2012 – to those the standard for Trainers Level 2 in IE Basic applies. From the year 2013 the qualification procedure for IE-B trainers will consist of two stages, similar to IE Standard, i.e. Trainers Level 1 and Trainers Level 2 in IE-Basic.
2. Pre-Condition for Participation in IE Basic Trainers Level 1 Course:
  - a. Successful Completion of IE Basic 1 and 2 (all 11 IE Basic instruments)
  - b. Submission of Evidence of Practice to the Feuerstein Institute pertaining to IE-B 1 and IE-B 2 in the language of the course to be taken.  
Submission of Evidence of Practice to reflect at least 100 hours of IE Basic work, and to include a significant part of the IE Basic Instruments (at least 9 Instruments), and to include the standard report of IE program implementation (to be obtained from FI), and:
    - i. 2 Lesson plans (mandatory)
    - ii. Articles (optional)
    - iii. Videos other material pertaining to training administered (optional).
  - c. Meeting all CPD requirements up until acceptance to the Trainers Level 1 course
  - d. 2 Letters of recommendation from a trainer you trained under in the past, or from supervisor who supervised you
  - e. Ability to take the Trainer level 1 course in one of the languages in which it is given
  - f. Approval from the Feuerstein Institute professional committee.  
The Feuerstein Institute reserves the right to reject candidature on the basis of committee members' opinion that the candidate has not met the established requirements for acceptance.
3. This requirement pertains solely to people who have not qualified as Trainers Level 1 and 2 in IE Standard – those who have, are eligible for direct admission to the Trainers Level 2 course in IE-Basic.
4. Upon completion of the course, graduates will receive a Trainers Level 1 certificate granting the following:
  - a. Work as a co-trainer within the framework of a Feuerstein Institute Authorized Center (ATA, ATC, CFC) and teaching teachers and professionals under the supervision of the said Center's specialists;
  - b. Work as a supervisor of teachers who teach students IE in classrooms.
  - c. Eligibility to submit candidature for a Trainers Level 2 course, following Submission of Evidence of Practice reflecting 45 hours of work as a Trainer 1, together with a recommendation from your supervisor.
  - d. Please note: Teaching teachers and professionals is only allowed after completing the Trainers Level 2 course, and requires signing of an alliance agreement with the Feuerstein Institute as an ATA, ATC (Authorized Training Center) or CFC (Certified Feuerstein Center), or working as a staff member of an existent ATC or CFC.

**Please note: Teaching teachers or professionals is not possible without first establishing an association with the Feuerstein Institute as an ATA/ATC and receiving supervision from the Feuerstein Institute.**

5. The certificate is valid for 4 years from its issue date.
6. **CPD (Continuous Professional Development)**  
A renewal of the IE Trainer 1 certificate is dependent on renewal training (CPD) consisting of the following:
  - a. Submission of a verification to Feuerstein Institute reflecting at least 45 hours of work as IE Basic Trainer-1
  - b. Participation in 4 annual lectures using e-learning, including successful passing of a questionnaire about the material presented in the lectures. These lectures incur a cost (approx. 100 EUR per annum, subject to change and not to exceed 10% p.a.) and will be administered over the internet.
  - c. Each training (i.e. IE1, IE2, IE Trainers, etc) requires submission of one verification form (one-time only), but candidates will not be required more than 4 annual lectures to renew any certificates they hold.
  - d. Additional courses taken within the 4-year CPD period count as completion of an annual CPD requirement.
7. Certificate holders who meet all CPD requirements will receive a renewal of their certificates for a further 4 years.
8. Only holders of a valid official Certificate of The Feuerstein Institute are eligible to purchase the Feuerstein Instruments, and to pursue continuing education in the Feuerstein Method. The institution that gives the training in the Feuerstein method is required to give an official Feuerstein Certificate to each student who successfully completes all course requirements.

I have read the above document, I understand the restrictions by which I am bound and I undertake to act within the stipulated permissibility and restrictions.

I understand and agree that certification as a Feuerstein Professional requires a high ethical and moral standing and undertake to maintain such standing at all times.

I understand and agree that the copyright to the Instrumental Enrichment Instruments, LPAD, and trademarks to the Feuerstein Methods are protected, and that infringement or violation of the above will cause the cancellation of my Feuerstein certification, and that I will be subject to the full legal consequences as established by Law.

## Qualification conditions for Trainers Level 2 in Instrumental Enrichment (IE) Basic

1. Pre-Condition for Participation in Trainers Level 2 Course:
  - a. Successful Completion of the Trainers Level 1 course
  - b. Submission of Evidence of Practice to the Feuerstein Institute pertaining to practice as Trainer level 1 in the language of the course to be taken. Submission of Evidence of Practice to reflect at least 45 hours of work as a co-training , and to include the standard report of IE training 1/supervision implementation (to be obtained from FI), and:
    - i. 2 training session plans (mandatory)
    - ii. Articles (optional)
    - iii. Videos and other material pertaining to training administered (optional).

The Evidence of Practice will be professionally assessed at the Feuerstein Institute

- c. Compliance with the CPD conditions up until presentation of candidacy.
  - d. Submission of a recommendation of either your supervisor, a senior staff member of the school where the trainer taught, or any other person who supervised the candidate's teaching and professional training activities;
  - e. Approval from the Feuerstein Institute professional committee.  
The Feuerstein Institute reserves the right to reject candidature on the basis of committee members' opinion that the candidate has not met the established requirements for acceptance.
2. Successful graduates of the Trainers Level 2 course will qualify as Trainers Level 2 and will be entitled to use their certificate in the following ways:
  - a. Teaching teachers and professionals the courses for which they qualified, on condition that the courses comply with the course provisions as stipulated by FI;
  - b. Teaching Teachers and other professionals is permissible only in the country of residence of the teacher, or in the country(ies) specified in the alliance agreement with the Feuerstein Institute.
  - c. Teaching teachers and Professionals requires signing of an alliance agreement with the Feuerstein Institute as an ATA, ATC (Authorized Training Center) or CFC (Certified Feuerstein Center), or working as a staff member of an existent ATC or CFC.  
**Please note: Teaching teachers or professionals is not possible without first establishing an association with the Feuerstein Institute as an ATA/ATC and receiving supervision from the Institute.**

3. The certificate is valid for 6 years from its issue date.

### 4. CPD (Continuous Professional Development)

A renewal of the certificate is dependent on renewal training (CPD) consisting of the following:

- a. If operating as ATA, submission of standard training reports as required by the ATA agreement.
- b. If operating in the context of an ATC, ensuring that the course taught by you are properly reported in the annual report of the ATC to FI, as stipulated in the ATC contract.

- c. Completion of a Trainer's Renewal Course once every six years (given in the annual Feuerstein Summer Institute)
5. Certificate holders who meet all CPD requirements will receive a renewal of their certificates for a further 6 years.
6. Only holders of a valid official Certificate of The Feuerstein Institute are eligible to purchase the Feuerstein Instruments, and to pursue continuing education in the Feuerstein Method. The institution that gives the training in the Feuerstein method is required to give an official Feuerstein Certificate to each student who successfully completes all course requirements.

I have read the above document, I understand the restrictions by which I am bound and I undertake to act within the stipulated permissibility and restrictions.

I understand and agree that certification as a Feuerstein Professional requires a high ethical and moral standing and undertake to maintain such standing at all times.

I understand and agree that the copyright to the Instrumental Enrichment Instruments, LPAD, and trademarks to the Feuerstein Methods are protected, and that infringement or violation of the above will cause the cancellation of my Feuerstein certification, and that I will be subject to the full legal consequences as established by Law.
